

5 June 2020

Dear Editor,

This is to confirm that the article entitled “**Challenges for pregnant women seeking institutional care during the COVID-19 lockdown in India: A content analysis of online news reports**” submitted to the Indian Journal of Medical Ethics is original and has been co-authored by the undersigned. All authors have participated in the work sufficiently to meet the ICMJE guidelines for authorship. All have read and approved the manuscript.

The submission is not under consideration for publication in any other journal.

We give consent to Dr Surbhi Shrivastava to act as the author for correspondence.

Details of sponsorship or relevant competing interests, financial or otherwise:  
The authors have no competing interests to declare. This paper received no external funding, however, the second author's time was supported through a Senior Research Fellowship awarded by the Indian Council of Medical Research.

We have read the terms and conditions of authorship of IJME and accept them.
