

Dear *Indian Journal of Medical Ethics* / Editor:

This is to confirm that the article entitled “Diagnostic ultrasonography access in rural India: a failure of the best intentions” submitted to the Indian Journal of Medical Ethics is original and has been co-authored by the undersigned. All authors have participated in the work sufficiently to meet the ICMJE guidelines for authorship. All have read and approved the manuscript.

The submission is not under consideration for publication in any other journal.

We give consent to Dr. Laux to act as the author for correspondence.

Details of sponsorship or relevant competing interests, financial or otherwise: all authors report no relevant competing interests at this time. Jan Swasthya Sahyog (the organization through which this work was conceived of) as an institution reports no disclosures and is funded by multiple funders including TATA Trusts, Oxfam India, Government of Chhattisgarh, AIIMSONIANS OF AMERICA, Association for India’s Development and Friends of JSS in US and UK.

We have read the terms and conditions of authorship of IJME and accept them.
