April 23 2020

Dear Editor,

This is to confirm that the article entitled **“What they say and what they do- views of those who are taught and those who teach undergraduate medical/clinical ethics in two medical schools in Kenya”** submitted to the Indian Journal of Medical Ethics is original and has been authored by the undersigned. I have participated in the work sufficiently to meet the ICMJE guidelines for authorship. I have read and approved the manuscript.

The submission is not under consideration for publication in any other journal.

Details of sponsorship or relevant competing interests, financial or otherwise: **This study was done as part of my MBE which was funded by an EDCTP grant (CB.2010.41302.016). I have no other competing interests.**

I have read the terms and conditions of authorship of IJME and accept them.
