

Dear Editor,

This is to confirm that the article entitled **"Trends in Mortality due to Acute Encephalitis Syndrome in Gorakhpur District of Uttar Pradesh: Who is Responsible?"** submitted to the Indian Journal of Medical Ethics is original and has been co-authored by the undersigned. Both the authors have participated in the work sufficiently to meet the ICMJE guidelines for authorship. Both have read and approved the manuscript.

This is also to bring into your notice that this submission is not under consideration for publication in any other journal. We give consent to Mr. Ravi Pratap Bharti to act as the author for correspondence mutually. There is no direct or indirect involvement of any funding agency or sponsors in this project. This paper is developed from the researchers' academic engagement.

We have read the terms and conditions of authorship of IJME and accept them.

Regards,
