

Dear Editor,

This is to confirm that the article entitled “Conflict of interest in systematic reviews and its implications on public health policy” submitted to the Indian Journal of Medical Ethics is original and has been co-authored by the undersigned. All authors have participated in the work sufficiently to meet the ICMJE guidelines for authorship. All have read and approved the manuscript.

The submission is not under consideration for publication in any other journal.

We give consent to Ms Radha Holla Bhar to act as the author for correspondence.

Sponsorship or relevant competing interests, financial or otherwise: The first author is not employed by any organization and has not received any kind of support from any individual or organization for developing this article. The second author is Co-Convener, Campbell and Cochrane Economic Methods Group, and author of 2 Cochrane reviews. He is full-time staff of Campbell Collaboration, a partner organization of Cochrane.

We have read the terms and conditions of authorship of IJME and accept them.
