

## COVER LETTER

Dear Editor,

This is to confirm that the article entitled "Increase In Cervix Cancer Incidence Among Women Below 50 Years In Sweden. Does HPV vaccination play a role?" submitted to the Indian Journal of Medical Ethics is original and has been authored by the undersigned. I have read and approved the manuscript. The submission is not under consideration for publication in any other journal. I myself act as the author for correspondence. No sponsorship has been obtained. I have no relevant competing interests, financial or otherwise. I have read the terms and conditions of authorship of IJME and accept them.

Title: Increase In Cervix Cancer Incidence Among Women Below 50 Years  
In Sweden. Does HPV vaccination play a role?
