Editor-in-Chief

The Indian Journal of Medical Ethics

Dear Editor,

This is to confirm that the article entitled “Fraud and deceit in medical research: 'Sirens on the way to Ithaca' and current perspectives” submitted to the Indian Journal of Medical Ethics is original and has been co-authored by the undersigned. All authors have participated in the work sufficiently to meet the ICMJE guidelines for authorship. All have read and approved the manuscript.

The submission is not under consideration for publication in any other journal.

We give consent to Dr Nikolaos Tsetsos to act as the author for correspondence.

Researchers did not receive any specific grant from funding agencies in the public, commercial, or not-for-profit sectors.

All authors declare that there are no conflicts of interest to be reported. We have read the terms and conditions of authorship of IJME and accept them.
