Indian Journal of Medical Ethics (IJME)

Dear Editor,

This is to confirm that the article entitled “The “Global Gag Rule”: Curtailing Women’s Reproductive Rights,” submitted to the *Indian Journal of Medical Ethics*, is original and has been authored by the undersigned. I, Ruth Macklin, am the sole author of the work.

The submission is not under consideration for publication in any other journal. As sole author of the work. Dr. Ruth Macklin is the author for correspondence. No funds were provided for research and preparation of the manuscript. The author has no competing interests. I have read the terms and conditions of authorship of IJME and accept them.

As I am currently living outside my home country, I do not have a mailing address. All correspondence should be by email.
